

ANGASII GAME LODGE

PET REGULATIONS

We are a pet friendly venue in that we do allow pets, however we do not have specific facilities for them ie. kennels, enclosure round the chalets etc. With this being the case it is important to be mindful of certain issues that could arise and situations you need to be prepared for.

Pet Owners Guide:

- Please be aware that all accommodation is open to the bushveld, freedom many animals are not accustomed to.
- Keep your pets on a leash when walking so to prevent animals and birdlife being chased. Snakes are prevalent in the veld, keep your eyes peeled.
- Take care not to bring pets to public areas, incl restaurant and swimming pool or let them wonder to other chalets and guests.
- Please be vigilant especially in terms of the interaction between the pet or pets and Angasii Staff.
- Be aware that we do have large dogs on the premises.
- You will need to bring all amenities and facilities they require.
- You will be held responsible for any damages.
- Lastly, we like to place guests with pets in our top chalets as it is a bit more private. This is Impala, Nyala, Leopard and Zebra Chalets.

This sounds like a mouthful, but it is all standard procedure. We love people who love to spend time with their pets, so we encourage you to do so. Our pets are extremely happy here and I am sure yours would be so as well.

I look forward to welcoming you and your furry family to Angasii Game Lodge.
